

We are looking for awesome DADS to be a

Woodmoor

Helping Enrich
Recess Opportunities

Hero

Wait, what is a HERO? That sounds like something that takes a lot of work. I don't have time. I am not the "Hero-ish" type.

DAD + weekly 30 min. recess + smile = HERO

But hold on. I am not a game organizer, I don't know all of the rules for "Bump", I have a job away from the home, I am not the athlete like I was in the day, my knees are bad, I don't have track pants...

We need DADS to hang out on the playground, join in games, make connections and be a presence. No experts or experience needed. Once a week on a lunch break is what we hope. A positive impact on students is what we dream.

Schedule

Thanks DADS! Now, is your chance to get involved here at school in a way that can work for you! Kick Off is March 2013!
