

Language Immersion Club @ Woodmoor Elementary K- 5

Come and join us in a bilingual, multicultural education which opens doors and minds to the world. PANW offers language immersion classes for students who wish to get a head-start before high school and have fun while learning a language. The class is taught by an experienced teacher using the curriculum that is carefully designed by language experts in the field. Students are introduced to new vocabulary and their correct pronunciation following a theme. The curriculum is designed for a year-round program to ensure progress to next level each year. With help of workbook and supplementary activities, students will engage and immerse in the language and enjoy cultural lessons while expanding knowledge and vocabulary on the subject on hand. Communicative approach is adopted, and lessons are constructed around five elements for elementary students: Total Physical Response Activities, Songs, Games, Crafts and Culture. Inspired by Montessori system, groups are organized by language level and age and work in groups or one to one to maximize learning outcome. Beginners/Intermediate welcome!

For Chinese class, simple conversation and PingYin with five tones will be taught. The emphasis is on speaking and comprehension skill than writing. Simplified writing for more practice at home is assigned as optional but encouraged

Please enroll online: www.ParisAcademyNW.com --- Before/After School – Woodmoor Elementary

By school PTSA protocol, a PTSA parent member needs to be present in all and every class sponsored. Please let us know if you can volunteer.
